The USU Extension - Box Elder County Needs Assessment will help USU Extension in Box Elder County better understand key county issues within homes and communities. Your response will help us learn which home and community issues are most important and how satisfied you are with the availability of services to address these issues. Please take this survey to help us learn how to best meet home and community-related county needs!

You may enter your name into a drawing to win one of five prizes after taking the survey!

Box Elder County residents aged 18 and over may take this survey. Please encourage others aged 18 or older in your household and community to take this survey! Please only take this survey once. This survey should only take about 10 to 15 minutes to complete.

For more information, please email or call Dr. Kristen Koci at kristen.koci@usu.edu or 435-695-2544.
